**FKL 80 LOTION SOAP  
 USDA E-1**

**DESCRIPTION:** This soap is a viscous, general purpose hand cleaner. It is very effective on the heaviest industrial soil, yet is mild enough for office use. It produces rich, heavy lather in hard or soft water. It is formulated with emollients and natural skin lubricants that make the skin feel softer and fresher.

**APPLICATION:** This product's remarkable cleaning power and mildness make it applicable for any hand washing or skin cleansing use. It has a E1 USDA classification, for hand wash use in all departments.
