SPOT B GON HEAVY DUTY SPOT & STAIN REMOVER

DESCRIPTION: This product is a three way combination of detergents, water and non-flammable solvents that dissolve grease, soil and food spillage on carpets and upholstery. It may be used to aid in the cleaning of carpets as a prespotter and traffic lane cleaner, as a bonnet cleaning chemical, a booster of extraction cleaning and a prespotter for laundries. This product contains special solvents, water softeners, grease-cutting detergents and emulsifiers.

ADVANTAGES:

- Contains optical brighteners
- Restores colors
- Removes traffic lanes
- Dissolves grease & oil
- Dries immediately
- Never closes high traffic areas

DIRECTIONS FOR USE:

FOR USE AS A SPOT REMOVER: Mix 1 part to 2 parts water. Apply a small amount of solution to the spot and scrub lightly with a spotting brush. Blot with a damp absorbent cloth or towel.

PRESpray TRAFFIC LANES: Mix 1 part with 5 parts water in a low pressure sprayer. Spray evenly on heavily soiled areas. Proceed with regular cleaning procedures of extracting or shampooing.

**CAUTION
KEEP OUT OF REACH OF CHILDREN
DO NOT TAKE INTERNALLY
PROTECT FROM FREEZING**

Notice:

The information contained herein is, to the best of our knowledge and belief, accurate. Since the conditions of handling and use are beyond our control, we make no guarantee of results. We assume no liability for damages or penalties resulting from following our suggestions or recommendations, nor are these to be taken as a license to operate under, or recommendation to infringe, any patent.

BONNET CLEANING: Mix as necessary and spray evenly over area to be cleaned. Dampen bonnet with the mixed solution, place under machine and scrub the sprayed area. Turn bonnet over when dirty. Rinse dirty bonnet in fresh water and wring out or use a clean bonnet. Bonnets can be machined washed in a laundry machine for re-use.

- Light Cleaning: Mix 1 cup per gallon of water
- Medium Cleaning: Mix 2 cups per gallon of water
- Heavy Cleaning: Mix 3 cups per gallon of water
- Extremely soiled: Mix 4 cups per gallon of water

USE AS A BOOSTER: Add one cup of cleaner to one gallon of undiluted extraction cleaner or carpet shampoo. Dilute this solution as recommended on manufactures label of extraction chemical or shampoo and proceed with normal cleaning method.

PRESPOTTER IN LAUNDRIES: Mix one part to three parts water in a spray bottle or squirt bottle. Spay on stained or dirty area before putting in the laundry machine.
