

TroubleShooter™ Baseboard Stripper (Aerosol)

Technical Data

May 2006

Description:

3M™ TroubleShooter™ Baseboard Stripper is a ready-to-use, heavy-duty cleaner packaged in an aerosol container. It is designed to remove heavy soils, wax, and floor finish buildup from hard surfaces.

Special Features:

- Thick white foam clings to vertical surfaces and resists dripping.
- Aggressive formula penetrates and loosens buildup quickly and thoroughly.

Applications:

- For use on baseboards, floor edges, corners, stairways and ceramic tile.
- Convenient aerosol spray can be used in tough to reach areas.

Note: Not for use on painted surfaces or old asphalt tile – immediately wipe off any overspray.

Packaging:

21-ounce aerosol can – 12 cans per case.

General Use Directions:

1. Shake can well.
2. Hold can upside down and spray 6-10 inches from surface. Cover the soiled area with a thin, even coat.
3. If any overspray onto other surfaces occurs, wipe off immediately.
4. Wait 3-5 minutes (or longer where there is severe buildup).
5. Wet scrub the surface using a 3M™ Doodlebug Pad Holder fitted with a 3M™ Doodlebug™ Brown Scrub 'n Strip Pad, 3M™ Doodlebug™ High Productivity Stripping Pad, or a similar product.
6. For uneven surfaces (i.e. grout, brick or door jams), use a 3M™ General Purpose Brush with a 3M™ Doodlebug™ Handblock No. 6473.
7. Rinse Surface with clean warm water.

Note: Prior to use, clean a small inconspicuous area. Note any change in color or texture, particularly on old tile floors. Do not apply to painted surfaces. If unacceptable abrasion or scratching occurs, use a less aggressive pad.

Product Specifications:

(Typical Values)

1. pH: 11.8
2. Flash Point: 196 F (91.1 C)
3. Solubility in Water: Complete
4. Specific gravity: 0.99 typical
5. Viscosity: No data available
6. Boiling Point: Approximately 212°F
7. Fragrance: Amine Odor
8. Appearance: White, foamy, viscous liquid

Precautionary Summary:

Eye Contact: Moderate eye irritation.

Suggested First Aid: Flush eyes with large amounts of water.

Skin Contact: Mild skin irritation.

Suggested First Aid: Wash affected area with soap and water.

Inhalation: Cardiac sensitization single exposure above recommended guidelines may cause upper respiratory tract irritation.

Suggested First Aid: If signs/symptoms develop, remove person to fresh air.

Precautions:

Keep away from heat, sparks and flame. Do not puncture, incinerate or store above 120F (49C). Keep out of reach of children.

Note:

Refer to product **Material Safety Data Sheet (MSDS: 10-2818-2)** for specific health hazard, first aid and precautionary information
