Misty Gum Remover

Description: This gum removing product should be used on tables, chairs, floors and other nonporous surfaces to remove chewing gum. A refrigerant freezes the gum which releases the adhesions between the gum and surface. Will not attack paints or varnishes and does not stain. This product is also useful in the removal of candle wax from fabric and carpets.

Health Hazard Data: Extremely flammable. Contains isobutane/propane blend. Use only in well ventilated area. Do not use near heat, sparks, open flame or other sources of ignition. Avoid contact with skin or eyes. Contents in contact with skin can cause frostbite. If blistering occurs, see physician immediately. Contents under pressure. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F. **KEEP OUT OF REACH OF CHILDREN.**

Spill Or Leakage Procedures: Remove ignition sources. Ventilate area to disperse vapors. Do not flush to sewer. Aerosol cans when vented to atmospheric pressure through normal use, pose no disposal hazard.

Product Specifications:

Wt./12oz. can: 6 Ounces

USDA Category: N/A

Classification: Aerosol Chewing Gum Remover

General Appearance: Frigid Liquid Which Quickly Becomes Gas

Color: Colorless

Odor: Odorless

pH: N/A

Vapor Pressure At 70°F: 70 psig

Spray Pattern: Blasting Mist

Flammability: Extremely Flammable per

CPSC Flame Projection Test

NFPA Code 30B: Level 3

1/93
